

Current Year Income Assessment form - tax year 2009-10

Please provide your expected or actual income in the tax year 2009-10.

You will have to confirm, with evidence, your actual earnings for the tax year after April 2010. If your actual income is different from your estimates we may adjust the amount of student finance awarded. If we have paid the student(s) too much we may have to recover student finance from them.
