Personal details

- a** You must send your original Passport, Birth Certificate or Adoption Certificate with your application form. Please note, we will not accept your passport if it has expired before we receive your application form.

If you choose to send your original Birth Certificate (this would include a UK Birth Certificate issued by a British Consulate abroad) or original Adoption Certificate it must be accompanied by a completed Birth/Adoption Certificate form. This form contains two separate declarations. The Declaration of Identity must be signed by yourself to confirm your identity. The Identity Confirmation is to verify your identity and must be completed by a person of good standing in the community (for example, a teacher, solicitor, civil servant or police officer) who has known you for at least two years.

You can download a Birth/Adoption Certificate form at www.studentfinancenl.co.uk/forms. Alternatively, contact our Customer Support Office and they will arrange to have one sent to you.

- e** If your name has changed from the name that appears on your Birth Certificate or Passport then please send the relevant evidence confirming this and give details of any previous names you have had.

Your documents will be returned to you as soon as possible.

If you have lost your Birth Certificate you should get a replacement by contacting the Register Office in the sub-district where your birth was registered. If you do not know where this sub-district is, you should contact the general register office at one of the following addresses:

- If you were born in England or Wales: Certificate Services Section, General Register Office, PO Box 2, Southport, PR8 2JD, Tel: 0845 603 7788.

Section 3 residence

Nationality

- a1**  If you answer 'Yes' to this question, you must send your Passport or Birth Certificate as evidence of your nationality. If you were born outside the UK and have a British Birth Certificate issued by a British Consulate, send this instead of your Passport or a letter or other document.
- a2**  If you answer 'Yes' to this question, you must send your Passport or national identity card as evidence of your EU nationality.
- a3**  If you answer 'Yes' to this question, you must provide evidence to confirm that your parent is a Swiss national and that you are their child by sending your parent's Passport or national identity card (if these show proof of their Swiss nationality and your relationship to them).

Residence status

- a4**  The EEA or Swiss national must provide proof of their nationality with their Passport or national identity card.

As proof of the current employment status of the EEA or Swiss national who is working, has worked or is looking for work, one of the following must be provided as evidence:

- A P60 or a letter from employer if currently working.
- Audited accounts, tax returns or details of income if self-employed.
- A letter from employer confirming the intention to continue working whilst studying.
- A P45, P60 or letter from previous employer on headed paper if currently looking for work or previously worked in the UK.

If your child, son or daughter-in-law or child's civil partner is the worker you must be dependent on them.

For children of EEA workers the term 'child' means a person 'under the age of 21 or dependents of the person or the person's spouse or civil partner'. This does not apply in cases where the EEA worker parent has died or left the UK and the child is staying on in the UK to finish their education.

- a5**  'Settled status' means that you can live in the UK permanently without the Home Office placing any restrictions on how long you may remain.

You are free from any restriction if any of the following apply:

- You are a British citizen.
- You have a right of 'permanent residence' in the UK.
- You have been granted 'indefinite leave to remain'.
- You have a right of abode in the UK.

Further information about the right of permanent residence and other immigration issues can be obtained from the UK Border Agency at the Home Office at www.ukba.homeoffice.gov.uk.

If you do not have a British Passport which confirms your immigration status, but you have a letter from the Home Office which does, please send this letter with your application form.

Please send the Home Office letter and immigration status document, normally a Passport, of the person who holds refugee status. You should also send evidence of your relationship to the person who holds refugee status if it is not you.

If you are claiming student finance as the child or step-child of a refugee, you will only be considered a 'child' if you were under the age of 18 at the time of your parent's application to the Home Office.

If you are claiming student finance as the husband, wife or civil partner of a refugee, you must have been their husband, wife or civil partner at the time of their application for asylum.

Section 4 about your course and your college or university

- b** If you are studying part-time, you must be planning to complete your course in no more than twice the time it would take you to finish it on a full-time basis.

Section 5 your university or college

The Disability Discrimination Act 1995 (as amended by the Special Educational Needs and Disability (NI) Order 2005) has made it illegal for universities and colleges to discriminate against disabled students by treating them less favourably in their admissions policies or the services they provide. Under the Act, universities and colleges must make reasonable adjustments so that disabled students are not at a substantial disadvantage compared with other students who are not disabled.

This means that you can tell your university or college about your disability, mental health condition or specific learning difficulty in complete confidence to make sure that you receive the support you need. However, if you do not want to tell your university or college, you should include a letter explaining why you did not want to pass the form to your university or college to complete this section.

Section 6 your disability, mental health condition or specific learning difficulty

- a** If you have a **physical disability or mental health condition** please send an up to date written medical statement from a doctor or appropriate qualified specialist confirming the nature of your disability or mental health condition. It is your responsibility to pay any cost in relation to obtaining this evidence.
- e** If you have a **Specific Learning Difficulty (for example, dyslexia)** please send a full diagnostic assessment carried out after your 16th birthday by a psychologist or suitably qualified specialist. It is your responsibility to pay any cost in relation to obtaining this evidence.
- b** If you had a diagnostic assessment carried out before your 16th birthday it will require an update so we can fully assess how your study will be affected by your specific learning difficulty.
- c** Please send letters showing the result of each previous DSA funding application you have made and any DSA Needs Assessment Report you received from the funding authority.

Declaration

If you cannot sign this form, it must be signed on your behalf by your Power of Attorney. The Power of Attorney letter must be sent with this application before a signature from that Power of Attorney will be accepted.

You must notify your ELB about any change in your circumstances which may affect your entitlement to financial support. The most common change of circumstance for students would be if:

- you are absent from the course for more than 60 days because of illness;
- you are absent for any other reason;
- you leave, abandon or are expelled from the course;
- you stop attending the course and do not intend, or are not allowed, to return for the rest of the academic year;
- you transfer to a different course at the same, or a different, university or college;
- you transfer from a full-time to a part-time course;
- you repeat part or all of a year of your course; or
- the date of the start or end of your course changes.

Information about data sharing for bursary and scholarship purposes

Universities and colleges will be offering financial awards such as bursaries or scholarships to their students. To help them administer these awards (i.e. to determine eligibility and entitlement to, and if relevant pay, a bursary or scholarship - 'bursary administration purposes') they will ask the Department for Employment and Learning, your Education and Library Board or the Student Loans Company for access to information you provide in connection with this application for student finance (whether on this form or at a later date).

We will share the relevant information with them, unless you indicate that you do not wish us to do so by ticking the box on the declaration. If you **do not** give consent for us to share this information, the payment of any bursary or scholarship to which the student may be entitled could be delayed.

Please contact the university or college if you require further information about their bursaries and scholarships.

The Department for Employment and Learning is a joint Data Controller for your information.

If false or inaccurate information is provided and fraud is identified, details may be passed to fraud prevention agencies to prevent fraud and money laundering.

We may share the information you have given us with other organisations including the Department for Employment and Learning, other Government bodies and with the university or college for these purposes. We may also get information about you from other organisations. If so, it will only be for the purposes described and as the law permits us to do.
