Assessment of financial
circumstances - **2018/19**

Who should complete this form?

Complete this form if you are:

- The student's natural or adoptive parent(s)
- The student's step-parent
- The husband, wife, civil partner or cohabiting partner of one of the student's parents
- The student's husband, wife or civil partner
- The student's partner, if the student is over 25 and you live with them as though you are married or in a civil partnership

What details do I need to provide?

You need to tell us some personal details and what your financial income was for the tax year 2016-17. You **must** tell us your 2016-17 income details as we cannot accept amounts from any other tax year. We need your income amounts so we can work out what the student(s) you are supporting are entitled to.

How do I complete this form?

This form is made up of 5 sections:

section 1 – personal details

section 2 – your financial information for the tax year 2016-17

section 3 – other income

section 4 – income deductions

section 5 – your dependants

- Start by completing section 1 and then work your way through the form. (Depending on your circumstances you may not need to complete every section)
- **If you have any questions or need any further information you can:**
 - visit www.studentfinanceneni.co.uk
 - Call us on **0300 100 0077**
- **Once you have completed this form and signed and dated the declaration**, please return it to us at the address shown on the Education Authority finder available online at www.studentfinanceneni.co.uk

Please remember to pay the correct postage.

What happens if my household income has dropped since tax year 2016-17?

If your household income has dropped by 5% since tax year 2016-17 you can apply for a 'Current Year Income Assessment'. This means we would use your expected income for tax year 2018-19 instead of your actual income from tax year 2016-17 when calculating the student's entitlement. However, there must be at least a 5% drop in the **overall household income** (not just your own income) between these two tax years for us to do this and we will ask for evidence of your 2018-19 income at the end of that tax year. Please refer to the support notes at the back of this form for more information.
