**Part A** - Tell us your name and address and some other personal information.

**Parts B and C** - Answer every question.

**Part D** - Answer every question and tell us about any income deductions for tax year 2016-17 where appropriate.

**Part E** - Tell us about any children who are financially dependent on you.

## How to complete this section

### If there are two parents in the student's household

Complete this section with information for both Person 1 and Person 2.

### If you are an independent student with a partner

Your partner needs to enter their information as Person 1, leave Person 2 blank

If you're self assessed – read page 13 of the notes for more information. 

If you're not self assessed – you can use your P60 to complete this section.

## What happens if my household income has dropped since tax year 2016-17?

If your household income has dropped by 5% or more since tax year 2016-17 you can apply for a 'Current Year Income Assessment'.

This means we would use your expected income for tax year 2018-19 instead of your actual income from tax year 2016-17 when calculating the student's entitlement. However, there must be at least a 5% drop in the **overall household income** (not just your own income) between these two tax years for us to do this and we will ask for evidence of your 2018-19 income at the end of that tax year.
