SLC or UCAS code for the university or college

I confirm that to the best of my knowledge and belief that:

- the student named in section 1 is undertaking the course named in section 5.
- the student intends to complete the following number of credits, credit points, modules or any other unit of measure by studying on a **part-time (PT) basis** in academic year 2019/20.

Number of PT units **Unit of measure**
(select applicable)

credits modules other
 credit points

- the following number of credits, credit points, modules or any other unit of measure would comprise the equivalent **full-time (FT) course** within one academic year.

Number of FT units **Unit of measure**
(select applicable)

credits modules other
 credit points

Intensity of study is calculated by taking the number of part-time units (identified above) the student intends to study in academic year 2019/20 and dividing it by the number of units (identified above) that the student would complete in one academic year if the course were studied on a full-time basis. The result is then expressed as a percentage.

- the **intensity of study** for this course is

$$\frac{\text{PT } \boxed{}}{\text{FT } \boxed{}} \times 100 = \boxed{}$$

- the student's course is designated as eligible for financial support under Regulation 124 of the Education (Student Support) (No.2) Regulations (Northern Ireland) 2009 (as amended).
- the equivalent full-time course would last years.
- it is possible for the student to complete the course in no more than twice the length of time required to complete the equivalent full-time course.

Postgraduate students Tick

I confirm to the best of my knowledge and belief that the student named in section 1 is studying or applying for a course for which they will not receive an award from their institution (not including any payment from the institution's hardship fund) to meet the extra course related costs they have to pay because of their disability.
