You can apply online at www.studentfinancenl.co.uk

Student Finance NI is a partnership between the Education Authority (EA) and the Student Loans Company Ltd (SLC) for delivering financial support to students on behalf of the Department for the Economy (DfE) Northern Ireland.

You should **not** complete the PN1 form if any of the following apply to you:

- You normally live in Wales, Scotland, England, the Channel Islands or the Isle of Man, but you have moved or will be moving to Northern Ireland to attend this course. If this is the case, you should contact whichever of the following organisations is relevant:
 - Student Finance Wales (SFW)
 - Student Awards Agency Scotland (SAAS)
 - Student Finance England (SFE)
 - The Education Department of Guernsey or Jersey
 - The Education Department for the Isle of Man

- You are a national of a European Union Member State and you have moved to Northern Ireland to attend a higher education course. If this is the case, you should go to www.studentfinancenl.co.uk for more information.
- You are, or will be attending a part-time higher education course other than for Initial Teacher Training (ITT). In some circumstances, you may qualify for help if you are taking a part-time course. For more information you should phone our Customer Support Office on **0300 100 0077**.
- You will be starting a course in a health related discipline and will be eligible to apply for a bursary from the National Health Service (NHS), SAAS or the Department of Health (DoH) which is not assessed on your household income, excluding the social work bursary.

You must use these notes whenever you see this icon within the main PN1 form. 

Any evidence that you are required to provide is also outlined in these notes and is marked with this icon. 

Section 1 - finance available

Maintenance Grant **NOT REPAYABLE**

You may not be eligible for a Maintenance Grant if you already hold an honours degree or foreign equivalent unless you are taking a particular vocational degree.

The amount of Maintenance Grant you receive is dependent on your household income and will affect the amount of Maintenance Loan you are entitled to. You will not be eligible for a Maintenance Grant if you are eligible to receive Special Support Grant.

If you will be studying on a postgraduate Initial Teacher Training (ITT) course of a year or more and choose not to provide any financial information you may be eligible to receive £1,318 Maintenance Grant (£659 for part-time ITT students). If you choose to provide financial information then you may be eligible to receive up to £3,475 Maintenance Grant (£1,738 for part-time ITT students).

Special Support Grant **NOT REPAYABLE**

You may not be eligible for a Special Support Grant if you already hold an honours degree or foreign equivalent unless you are taking a particular vocational degree.

The amount of Special Support Grant you receive is dependent on your household income. Entitlement is calculated in the same way as Maintenance Grant but will not affect the amount of Maintenance Loan you may be entitled to receive. If you are eligible to receive Special support Grant you will not be eligible to receive Maintenance Grant.

The Social Security Agency will not take account of Special Support Grant when assessing any claim you make for income related benefits.

You may be able to receive Special Support Grant if you:

- Are a lone parent or foster parent
- Have a partner who is also a student and one or both of you is responsible for a child or young person aged under 20 who is in full-time education below higher education level or on an approved course
- Have a disability, and qualify for the Disability Premium or Severe Disability Premium
- Are deaf and qualify for Disabled Students' Allowances
- Have been treated as incapable of work for a continuous period of at least 28 weeks
- Have a disability and qualify for income-related Employment and Support Allowance
- Are waiting to return to the same course within the same academic year having taken agreed time out from that course due to an illness or caring responsibility that has now ended (this does not mean that you will be paid for time you were not on your course)
- Are aged 60 or over
- Are eligible for Housing Benefit or the housing element of Universal Credit whilst you're studying
- Are entitled to Armed Forces Independence Payment (AFIP)
- Are entitled to a Personal Independence Payment or Disability Living Allowance

e Please state on a separate piece of paper which of the above categories you think you may fall into and enclose this, and relevant supporting evidence, with the PN1 form or download a Special Support Grant application form at www.studentfinanceni.co.uk

If you are unsure about your eligibility for Special Support Grant, call our Customer Support Office on **0300 100 0077** for help.

Maintenance Loan **REPAYABLE**

You may not be eligible for a Maintenance Loan if you already hold an honours degree or foreign equivalent unless you are taking a particular vocational degree.

The amount of Maintenance Loan you receive is dependent on your household income.

If you are assessed as being eligible to receive Maintenance Grant then the amount of Maintenance Loan available will be reduced.

Section 1 - finance available continued

Tuition Fee Loan **REPAYABLE**

You may not be eligible for a Tuition Fee Loan if you already hold an honours degree or foreign equivalent. The maximum tuition fee amount you are charged by your university or college may vary depending on which country you are studying in. If you are unsure about the tuition fee amount you will be charged, please contact your university or college.

If you will be starting a course at a university or college in Northern Ireland in this academic year you can apply for a Tuition Fee Loan to cover the amount of tuition fees that your university or college will charge you, up to a maximum of £4,395.

If you will be starting a course at a university or college in England, Wales or Scotland in this academic year you can apply for a Tuition Fee Loan to cover the amount of tuition fees that your university or college will charge you, up to a maximum of £9,250 or up to £11,100 for an accelerated degree.

There is no cap on the tuition fee amount a private university or college can charge. If you are studying at a private university or college, and your course qualifies for tuition fee support, you can only apply for a Tuition Fee Loan up to the maximum of £4,395. You will have to fund any additional tuition fee over this amount yourself.

Any Tuition Fee Loan borrowed will be paid directly to your university or college in three instalments within the academic year. Each payment is made after we receive confirmation from your university or college that you are in attendance at the start of each term.

Student Contribution Loan **REPAYABLE**

If you are studying on an undergraduate Higher Education course at a relevant institution of Higher Education in the Republic of Ireland you won't pay any tuition fees. Instead, you will have to pay a student contribution charge to your university or college. You can apply for a Student Contribution Loan to cover the amount charged.

Adult Dependants' Grant **NOT REPAYABLE**

This grant is dependent on your income and any income of your dependants. You can only apply for this grant if you are married, in a civil partnership, if you are 25 or over and are living with a partner of either sex or have another adult dependant. You can only apply for this grant for one adult dependant; if you have more than one adult dependant, you can still only receive one grant.

Parents' Learning Allowance **NOT REPAYABLE**

The amount you receive depends on your income and that of your dependants (including your husband, wife or partner). It is not counted by the Social Security Agency or housing benefit departments when calculating your other benefits, so you do not have to choose between Parents' Learning Allowance and other benefits.

Bursaries and scholarships **NOT REPAYABLE**

Full-time students studying at a university or college in Northern Ireland who are eligible for the full £3,475 Maintenance Grant or Special Support Grant, and who are being charged tuition fees of up to £4,395, can apply to their institution for a bursary.

Some universities and colleges may choose to offer discretionary bursaries or scholarships. The amount offered would be at their discretion and you may not need to be eligible for the full Maintenance Grant or the full Special Support Grant to qualify for their bursary or scholarship scheme.

Travel Grant **NOT REPAYABLE**

If you have to study at a university or college outside the UK/ROI for the majority of any term in the academic year or if you have to attend a place in the UK/ROI away from your main college or university as part of your medical or dental training, you may be eligible for help with the cost of travel. The support you receive is dependent on your household income.

If you apply for student finance which is not based on your household income you are not eligible to claim a travel grant.

You may also be able to get help to cover the cost of the medical insurance, visa costs and vaccinations.

If you have extra travel costs because you are disabled or have a specific learning difficulty, apply for Disabled Students' Allowances instead.

You can request or download forms to complete about your travel costs.

Contact your local Student Finance (SFNI) office to find out you are eligible to apply.

Section 1 - finance available continued

Childcare Grant **NOT REPAYABLE**

You may get help with some of your childcare costs, depending on your income and any income of your dependants, if you have dependent children aged under 15 at the beginning of the academic year - or under 17, if they have special educational needs - and you need childcare services for them.

You may be able to get help with childcare costs during vacations as well as during term-time.

Your childcare provider must be registered or approved for you to receive this grant.

You cannot have this grant if you or your husband, wife, civil partner or cohabiting partner receives the childcare element of Working Tax Credit or Universal Credit, Tax-Free Childcare from HM Revenue & Customs (HMRC), a healthcare bursary or Scottish Healthcare Allowance. You have to choose one or the other.

You will be sent more information about the Childcare Grant and further forms to complete about your weekly childcare costs.

You can find out more about the Childcare Grant at www.studentfinanceneni.co.uk and about Working Tax Credit at www.nidirect.gov.uk

Disabled Students' Allowances **NOT REPAYABLE**

These can help pay for extra course-related costs you may have as a result of your disability or specific learning difficulty. This includes special equipment, a non-medical helper or special travel arrangements.

e If you provide evidence of your disability such as a letter from your doctor or a completed Disability Evidence Form, or if you have dyslexia or dyscalculia, a diagnostic assessment carried out by a suitably qualified person, this will help us process your application more quickly.

If you do not have this evidence yet, send this form to us now and send in the evidence of your disability or specific learning difficulty later. We will contact you to ask for the extra information we need.

e If you are taking your course by distance learning or otherwise undertaking but not attending a course in person for a reason which relates to your disability you may be able to apply for all types of student finance (except Travel Grant) as if you were attending in person. The evidence you send must show that you are unable to attend university or college in person for a reason which relates to your disability.

If you want to apply for DSAs only, you should complete an 'Application for Disabled Students' Allowances' (DSA1) form instead of this form. You can download a DSA1 application form at www.studentfinanceneni.co.uk

Alternatively, you can complete sections 1-4 of the PN1 form and return it to us. We will then send you another form that asks more specific questions about your disability/specific learning difficulty.

This kind of course includes full-time education at the university or college, plus periods of industrial or work placement.

Term details

- e** Do not count any period spent studying in the Republic of Ireland (ROI) as a term abroad.

If you are studying abroad you should speak to your university or college to confirm your tuition fee before completing the loan request section of the form.

If you study abroad we will send you additional forms separately. You will need to complete those forms with your study abroad and travel details.

You should select 'Work placement' if you will be working in the UK/ROI or abroad as part of your course during this academic year or if your placement is part of a sandwich course.

Placement details

Section 5 - previous financial support and other information

Previous study

If you already have an HND, Foundation degree or similar level qualification and are progressing on to year 1 of a degree course you may not be eligible for fee and grant support for some or all of that degree course.

- a1** This includes any full-time or part-time undergraduate or postgraduate course you have attended, where a qualification was achieved, whether it was in the UK or overseas. Examples of undergraduate higher education courses you should tell us about include:
- DipHE, HND Degree and Foundation Degree, and similar courses from outside the UK.
 - Integrated Masters Degrees.

- a3** Tick the relevant box(es) to show all qualifications you have achieved in the UK. If you are unsure of the level of your existing qualification please contact your university or college where you completed the course for advice. If you have achieved a qualification overseas you must send evidence of this qualification.

- a4** A self-funded course is one that was studied at a private university or college and no support of any kind was paid either to you or the university or college to meet tuition fee or maintenance costs for the duration of the course.

e If you have compelling personal reasons, such as illness or bereavement, for not achieving a qualification you should send evidence to support this. Each case is carefully considered before a decision is made to award additional funding.

- b1** If you are eligible to apply for a social work bursary from the Social Services Inspectorate you should answer 'No' to this question because this is a separate bursary to those offered by the NHS or the DoH.

If you're studying on a Paramedic course at an English university/college and are eligible to apply for tuition fee and/or living cost support from your local ambulance/health trust, you should answer yes to this question.

Students studying an Allied Health Professional course at Ulster University or students who have reached the 5th year of study of a medical or dental course will have the DoH bursary entitlement assessed by your local SFNI office using the information provided on the PN1 application.

If you are eligible to apply for an **income assessed** bursary or award, the **only** element of student finance you are eligible to apply for is the non-income assessed part of the Maintenance Loan and this will be at a reduced rate.

- b2** If you are eligible to apply for a **non-income assessed** bursary - you are **not** eligible for any other student finance. The only exception would be if you are a seconded student studying a health related course and you have been advised that you cannot apply for any bursary at all, either income or non-income assessed.

Contact your local SFNI office if you are unsure how to apply for a bursary.

Loan request section

- an Income Tax document such as a P45 or P60

If you have never been given a National Insurance number, you should leave the box blank. You will be contacted if you need to take any action to obtain a National Insurance number.

Section 7 - dependent and independent students

a3 Having the care of a person under the age of 18 means that you look after a child and the child lives with you, irrespective of your relationship with the child.

 Please send copies of the child's/children's long birth certificates and evidence that you have care of the child, for example, evidence that you are receiving Child Benefit or Child Tax Credit.

b Irreconcilable estrangement

You will normally be considered irreconcilably estranged from your parents if you have not had verbal or written contact with both of your biological or adoptive parents, or your only living parent for twelve months or more before the start of your academic year, and this will not change. If you tick that you are irreconcilably estranged from your parents we will contact you to ask for evidence.

You will **not** be considered irreconcilably estranged from your parents because:

- you do not get on with your parents;
- you do not live with them;
- your parents do not want to give details of their income; or
- your parents choose not to provide you with financial support.

For more information on estrangement refer to the 'Stand Alone' booklet available on our website at www.studentfinancenl.co.uk

In the legal care of a Local Authority

If you have at any point been in the custody or care of a local authority but have been back in the legal care of your parents at any time since then, you will not be considered independent.

c To be considered as supporting yourself financially you must have been meeting your own living costs for at least 3 years (this does not have to be 3 consecutive years) from any of the following sources:

- Income from employment.
- Benefits.
- State studentships.
- Scholarships, exhibitions and bursaries.

You would not be considered as supporting yourself financially if you are meeting living costs from money paid by a parent.

 Please send evidence that you have been supporting yourself financially such as copies of letters from employers giving dates of employment and pay or similar benefit information.

Section 8 - student financial details

Unearned income

- a** You may be asked to confirm any estimated income at a later date.

If your actual income is different from your estimated income we will reassess your entitlement to student finance. This may change the level of financial support you receive.

When working out your taxable unearned income, you should **not** include:

- earnings from full or part-time work such as vacation work or work you do during term-time;
- any Maintenance Loan or grant payments you may receive;
- payments you receive from your parents under a covenant;
- maintenance payments you expect to receive for your children. These maintenance payments should be included as part of your children's income in question 8d;
- Teacher Training Bursaries;
- Care Leavers' Bursary;
- bounties paid by the armed services to reservists or disablement or invalidity pensions; or
- ISAs.

Payments from an employer

- b** You should **only** provide an amount here if you are being released from employment by your employer to attend your course. If this is the case, you should only include salary or wages that you will receive from that employer for days you are actually attending your course and have been released from your employment to do so. Any earnings from salary or wages entered here may affect your student finance entitlement.

Do not provide any amount here if you are a student who is working while studying but have not been specifically released by your employer to attend your course.

Dependent children

- d** You must send copies of your child's/children's long birth certificate(s) to confirm their date(s) of birth before they can be taken into account when assessing your entitlement. If you have provided these with a previous application for financial support then you do not need to provide them again.

e

You must include any income the child received in tax year 2018-19 from working, interest earned on savings, investments and from any maintenance payments you received for your children as part of **their** income in this question.

The child dependant's income is required to assess eligibility for deductions in the calculation of household income for each child who is wholly or mainly financially dependent on the student or the student's husband, wife or partner, or the student's parents or step-parents.

Don't include income from sources such as Child Benefit, Child Tax Credit, Government Child Trust or minimal sums of money from other sources when entering a child's income.

If your child's income will be at least 5% less than it was in tax year 2018-19 you can apply for a current year income assessment. This means we would use their expected income for tax year 2020-21 instead of their actual income for tax year 2018-19 when working out your grant entitlement. If you want to be assessed using expected income for tax year 2020-21 please use the additional notes pages at the back of the form to let us know.

e

You must send copies of evidence of your child's income from all sources after tax and National Insurance contributions in tax year 2018-19.

Section 9 - Parents' Learning Allowance, Adult Dependants' Grant and Childcare Grant

If both you and your partner are students and one of you is studying on a course which is funded by the NHS, and the other is studying a standard course, you can't get Childcare Grant from us as well as childcare support from the NHS.

- c** This information will be used to work out if your children are mainly financially dependent on you or your partner during this academic year. The academic year is determined by when you begin your study, see page 9 for the dates.
- d** If you apply for Childcare Grant you will be sent another form for you to give us your childcare details and estimated costs. You can find further information about Childcare Grant at **www.studentfinancenl.co.uk**
You can get information about all aspects of Working Tax Credit at **www.nidirect.gov.uk**
- e4** If your adult dependant's income will be at least 5% less than it was in tax year 2018-19 you can apply for a current year income assessment. This means we would use their expected income for tax year 2020-21 instead of their actual income for tax year 2018-19 when working out your grant entitlement. If you want to be assessed using expected income for tax year 2020-21 please use the additional notes pages of the form to let us know.
- e** You still need to give your adult dependant's income details for tax year 2018-19. Send copies of evidence of any taxable income received by your adult dependant, for example, P60, letter from employer confirming earnings or month 12/week 53 payslip.

Section 10 - about your family

Dependent students

If you are a dependent student, the following family members count for the purpose of income assessment:

- Your natural or adoptive parents.
- Your parent and their partner, if they have one.

Your parent's partner is defined as:

- Your stepmother or stepfather.
- Your parent's opposite or same sex partner if they live together as though they were married or in a civil partnership.

- Your husband, wife or civil partner.
- Your opposite or same sex partner, if you are 25 or over and you live with your partner as though you were married or in a civil partnership.

If you do not have a partner as defined above we will only assess your income.

You should tick 'living with a partner' if your parent have been previously been separated, divorced or widowed but are currently living with a partner.

If full income details are not provided by parent(s) or parent and partner this could result in an overpayment of support.

- e** If your parents are **divorced** or **separated**, or if they have been in a **civil partnership** which has been **dissolved**, you should send a copy of the decree absolute, decree nisi, dissolution order, or a letter from their solicitor confirming their status and date of separation.

If your parent is separated or divorced and now living with a partner, their partner must tell us their income details in section 11.

Terms and Conditions

If you cannot sign the form it must be signed on your behalf by your attorney. The Power of Attorney letter must be sent with the application before a signature from that attorney will be accepted.
